Additional Party Activities

CAKE DECORATING LESSON WITH ERIKA | \$50

Receive 45 minutes of hands-on instruction from Living The Sweet Life owner and head baker Erika Cunha. Use Living the Sweet Life's frosting tips and other fun tools.

GOODIE BAGS FROM THE OLD FASHIONED CANDY BAR \$8/LB

Bring in the birthday boy or girl prior to the party to select his or her favorite candies from our candy bar. Living the Sweet Life will pre-package these special candy bags for each guest to receive at the end of the party (1/4 lb. minimum per bag).

DRUMS OF AFRICA WITH KOFFI

West African master drummer Koffi Toudji supplies the drums, story telling and instruction. Let Koffi be the life of the party while teaching traditional rhythms, story telling and allowing kids to tap into their musical creativity.

FACE PAINTING BY JACKIE

Jackie is an amazing artist who will transform kids into wonderful works of art. The magic begins when the paint touches the face and your child and party guests are transformed into anything from a butterfly to a ferocious monster.

JEWELRY MAKING WITH AMY

Amy has years of experience selling to top stores such as Neiman Marcus and Saks Fifth Avenue. Let her share bead making with your kids. Each child goes home with a beaded work of art.

*Please note: Non-refundable deposit of 50% due with signed bid to reserve date. All party packages have a \$150.00 minimum. A minimum of one parent should be on hand to supervise and direct activity. Because of the hands-on activities and size of the mezzanine space, Living the Sweet Life would prefer no more than one adult chaperone per 5 children. If more parents are in attendance, Living The Sweet Life will automatically include a carafe of coffee and treats at a \$5.00 per person charge. Staff role includes providing necessary items, assisting with set-up and regular check-ins but not supervision. Final guest count and final payment due 10 days prior to event.
